

**"Once you understand what a "False Flag" is, look at the 9/11/2001 attack.**

All the anomalies of that day will become blatantly clear.... it was, indeed, an Inside Job."

Claudio Marty - Family member of one of the first victims to perish that day at the World Trade Center.

# OPERATION NORTHWOODS

Operation Northwoods was a series of false-flag proposals that originated in 1962 within the United States government, and which the Kennedy administration rejected. The proposals called for the Central Intelligence Agency (CIA), or other operatives, to commit acts of terrorism in U.S. cities and elsewhere killing innocent Americans. These acts of terrorism were to be blamed on Cuba in order to create public support for a war against that nation, which had recently become communist under Fidel Castro. One part of Operation Northwoods was to "develop a Communist Cuban terror campaign in the Miami area, in other Florida cities and even in Washington." - JFK was assassinated 11/22/63

"False flag terrorism" occurs when elements within a government stage a secret operation whereby government forces pretend to be a targeted enemy while attacking their own forces or people. The attack is then falsely blamed on the enemy in order to justify going to war against that enemy. [https://en.m.wikipedia.org/wiki/False\\_flag](https://en.m.wikipedia.org/wiki/False_flag)

After the 9/11/01 False Flag attack, other false flags continue to follow all around the world to support the "war on terror" illusion.

Once you understand what a "False Flag" is, revisit the 9/11/2001 attack.
